TIPPER - 2.8 Cubic m (100 cubic ft)

LOADKING CRX

LOADKING CRX FULLY BUILT TIPPER COMFORT. RELIABILITY. AND XTRA ECONOMY.

Designed for immediate use so that you don't lose time and money to build tipper body. Loaded for comfort features, highly powerful, trustworthy aggregates, a reliable and efficient engine. Packed in a compact structure with best in class maneuverability. Presenting India's No. 1 small sized Fully Built Tipper Loadking CRX Fully Built Tipper. Its high performance doesn't waver even on the harshest of the terrains thanks to its strong and rugged tipper body. This unmatched performance comes with 1+1* years warranty. The NEF CRDe engine, a first in trucking industry ensures highest mileage, greater power and better pickup in its class. The Loadking CRX Fully Built Tipper delivers more than it promises, for sure.

*1 year on full vehicle additional 1 year on engine and driveline.

CRDE - THE WINNING EDGE

The engine that powers the Loadking CRX Fully Built Tipper BSIII range runs on the advanced Common Rail Diesel engine technology. CRDe technology ensures that fuel is always stored and injected at a high pressure, which means better combustion and lower wastage. This gives this vehicle its best-in-class mileage, up to 10% better efficiency than the competition.

ADVANTAGES OF THE CRDE ENGINE.

- Optimum power • High speed • High torque • Great pickup
- Low Noise Vibration Harshness (NVH) levels • Lower maintenance cost

Spacious cabin

LOADING
CRX

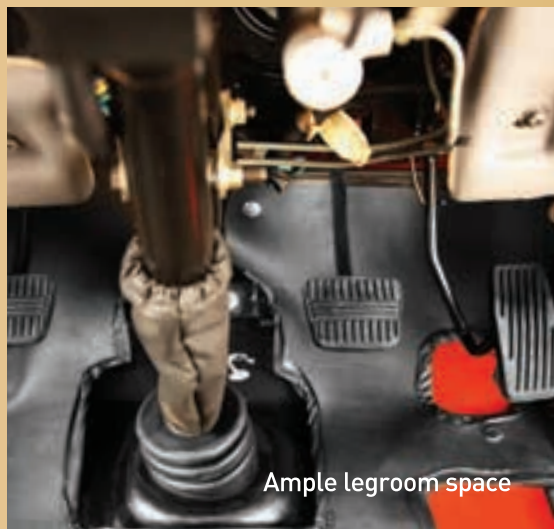

CARRY LOADS. WITHOUT STRESSING YOURSELF.

Long drives, rough terrains, and unpredictable weather. It sure isn't a smooth ride. That is why we give you hordes of comfort features which make the Loading CRX Fully Built Tipper feel like a home, away from home.
