

THE SMOOTH TRUCK. FOR A SUPER SMOOTH BUSINESS.

The new **LOADING ZOOM**...

With super smooth power steering & heavy duty gearbox.

AVAILABLE IN
4 TYRE & 6 TYRE
VARIANTS

Everything in the new Loadking Zoom is designed to help your business run smooth. The engine ensures you save on diesel on every trip. An efficient gearbox and drivetrain transfers most of the power to the wheels. Add to this the **power steering** and you have a truck that gives you enough comfort to make more trips than ever before.

Loadking Zoom comes in 4 Variants:

- Long wheel base 4 tyres & 6 tyres with 4250 (14ft) cargo body
- Short wheel base 4 tyres & 6 tyres with 3120 (10ft) cargo body

And whichever model you choose, you will get smooth performance with **highest loading space and payload** in its category.

AN ENGINE THAT LETS YOU GO AHEAD SMOOTHLY.

The CRDe engine in the new Loadking Zoom gives you power without compromising on fuel economy.

ADVANTAGES OF THE CRDe ENGINE

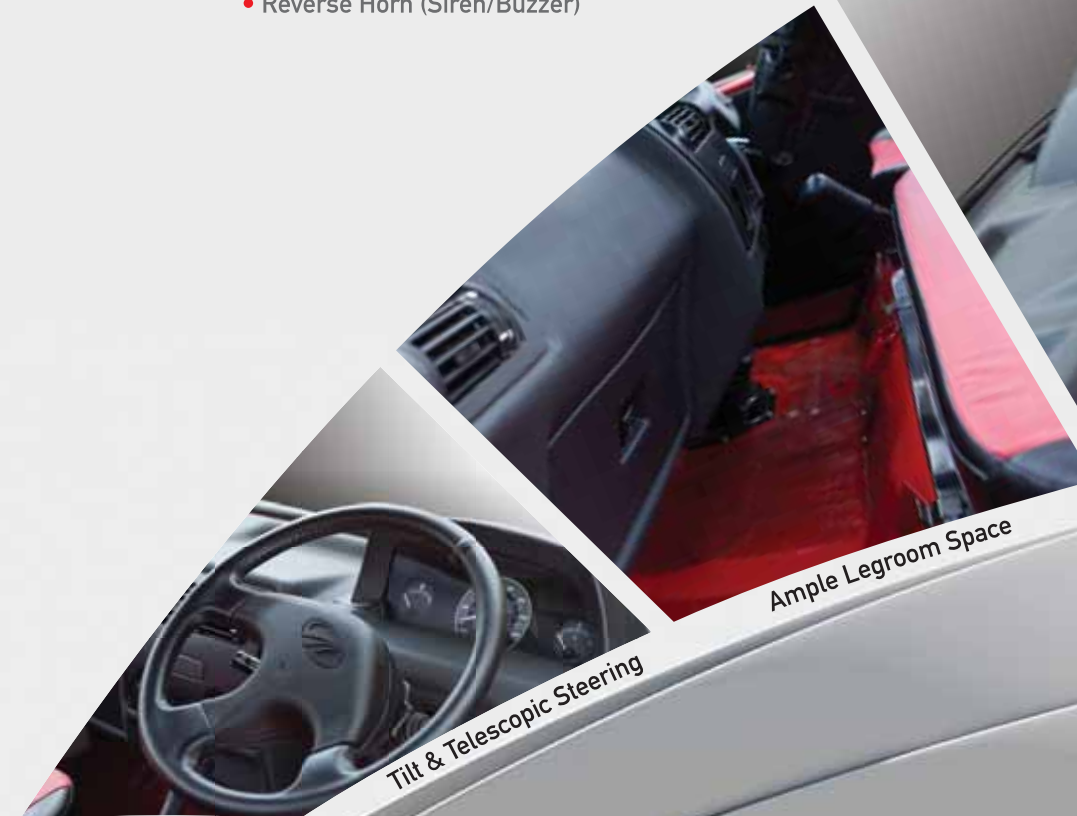

- Best-in-class fuel economy (upto 10% better)
- Excellent pickup
- High torque • Optimum power
- Higher gradeability • Lower maintenance cost
- Low Noise Vibration Harshness (NVH) levels

BECAUSE COMFORT IS IMPORTANT FOR SMOOTH PERFORMANCE.

This truck knows just what a driver goes through on every trip - long drives, over night journeys, hilly terrain, curvy and narrow lanes, rough surface and unpredictable weather. That's why it comes with thoughtful features that ensure comfort, always.

- More headroom and legroom
- Power steering with a good grip for smooth handling
- Tilt & Telescopic steering column
- An easy to grip and smooth handling gear knob
- Improved insulation keeps the engine heat away
- Reverse Horn (Siren/Buzzer)

Ample Legroom Space

Power Steering & Comfortable Cabin

WHAT'S SMOOTH WITHOUT RELIABILITY?

The new Loadking Zoom comes with enhanced reliability. It is truly built to stand the test of time, terrain and rough use.

- Smooth gearbox
- 5 mm thick chassis
- 304 mm dia differential with RAR of 6.14 (43/7)
- Heavy duty suspension with helper brackets

LOADKING ZOOM...

NOT JUST SMOOTH; EVEN HANDY AND GOOD LOOKING.

This is a truck that doesn't compromise at all. If it delivers beautifully on performance then it delivers equally well on style and convenience.

- Smart decals
- Mobile charging point
- Silver painted wheel rims
- Water bottle holder
- Dual colour seat covers with matching gear knob

SMOOTH ON YOUR POCKET AS WELL.

A lot of thoughtfulness has gone into building the new Loadking Zoom. The kind of thinking that gives you more revenue with each trip.

- Highest load carrying capacity in the category
- Increased oil change intervals to ensure lower maintenance cost
- A longer cargo body for voluminous goods
- Upto 10% more mileage due to CDR_e NEF engine & overdrive gearbox
- Lowest turning circle radius

THE ASSURANCE OF SMOOTH PERFORMANCE.

The new Loadking Zoom is not only built to last, it also comes with the added assurance of an extended warranty. So you can focus on your business without any worries.

- Strong and durable chassis mounted load body
- Solid suspension with helper spring
- Tried and tested heavy duty aggregates
- Smooth handling gear knob
